New Copford Place

ESSEX

Hello and a very warm welcome to New Copford Place

Set in the picturesque Essex village of Copford, near Colchester, we are a purpose-built residential care home.

With a strong, committed and enthusiastic team, New Copford Place is a friendly and hospitable home and we pride ourselves on providing a home from home experience for all of our residents.

The care we provide is of the highest standard, delivered by well-trained and compassionate staff. I personally have worked in care for over 30 years.

My personal approach to care is to always listen to our residents and to strive to exceed expectations.

As the residents will tell you, from afternoon tea to garden parties, we are always working hard to provide a wonderful experience for them, their friends and their families.

New Copford Place is a much-loved home and I hope it will become a special home for you too.

Kind regards,

Stephen Trump
Registered Manager

Our charity

Friends of the Elderly has been supporting and caring for older people since 1905. Over a century later Friends of the Elderly still has an important role to play in the individual lives of an ageing population.

The charity is working to ensure that all older people have the opportunity to live fulfilled and respected lives. We do this by providing high quality caring services, giving grants to older people living on a low income and raising awareness of issues such as loneliness.

Our home

New Copford Place is a purpose built residential care home delivering residential care for up to 27 people. All of our rooms are spacious, light and airy with facilities such as a television port and telephone socket.

You are welcome to personalise your space and bring along small pieces of furniture and personal mementos to ensure you feel at home. We have a range of communal areas, including three bright and airy lounges and a spacious dining area.

We can arrange for hair dressing and for local services to come to the home if there are treatments you would enjoy.

Our staff are always on hand to support you in using the home's amenities and

we will work with you to ensure you stay connected with family and friends in whatever way suits you best.

We have beautiful gardens with a delightful courtyard and sheltered seating area, which provides a relaxing space to sit and read or talk to your friends and family.

All our bedrooms have access to the gardens, enabling you to enjoy easy access to the grounds at any time.

Our approach

At New Copford Place we are dedicated to providing individual care with dignity that meets your needs.

We employ an informal, relaxed approach to ensure that we maintain our home from home feel, but we always deliver our care with absolute professionalism.

All our staff, from housekeeping to care and management teams, are trained to the highest standard. We invest in learning and development opportunities for all of our staff to ensure the care delivered is

second to none. To ensure you receive the best possible care, our Quality Team makes regular visits to the home to make sure we are meeting the Care Quality Commission (CQC) guidelines.

Your views are important to us and we hold regular resident and relative meetings to share information about the home and to hear your feedback. We also conduct an annual survey and publish these results with an action plan on what changes we plan to make.

We will work with you to develop a personalised care plan that reflects what you want and need. We review plans on a regular basis, to ensure that all care needs are met.

We can also support you in arranging for the GP to visit and organising other medical appointments with you or on your behalf.

We have an active social calendar developed by our dedicated activities coordinator. From movie nights to exercise groups, family days in the gardens and, trips out, you are sure to find something that appeals to you.

We also work with local volunteers who are trained in befriending or delivering activities that support you to lead an active and fulfilled life.

If you value your privacy, or wish to spend time with just your friends and family, our spacious and airy bedrooms and peaceful lounge areas provide relaxing spaces for you to enjoy time alone.

Your family and friends are always welcome to visit. They can drop in at any time, join you for a meal, take part in one of our many activities or just spend time sitting with you in our garden.

Our food

At New Copford Place we recognise how important good quality food is for both your health and happiness. We work closely with our suppliers to ensure every meal is tasty and nutritious.

Our staff work hard to ensure that we provide a pleasant dining experience and many of our residents choose to sit together and socialise over lunch and their evening meal. Guests are also welcome to join you for any of your meals.

All meals are freshly prepared by our on site cooks who plan quality, seasonal menus and you can choose from a wide range of nutritious meals.

We take the time to understand what you like so that you continue to make your own decisions about the food you eat.

A range of snacks and fruit are always available in between meal times for you to enjoy.
