

The Old Vicarage

OXFORDSHIRE

Hello and a very warm welcome to The Old Vicarage

Set in the beautiful village of Moulsoford, Oxfordshire, we provide residential and nursing care in modern, purpose built facilities. We also have a dedicated wing of our home that provides specialist dementia care.

With a strong, committed and enthusiastic team, The Old Vicarage is a friendly and hospitable home and we pride ourselves on providing a home from home experience for all of our residents.

The care we provide is of the highest standard, delivered by well-trained and compassionate staff. I have worked in care for my whole career and have managed The Old Vicarage for over 13 years.

My personal approach to care is to always listen to our residents and to strive to exceed expectations. As the residents will tell you, from afternoon tea to garden parties, we are always working hard to provide a wonderful experience for them, their friends and their family.

The Old Vicarage is a much-loved home and I hope it will become a special home for you too.

Kind regards,

Carol Bourne
Registered Manager

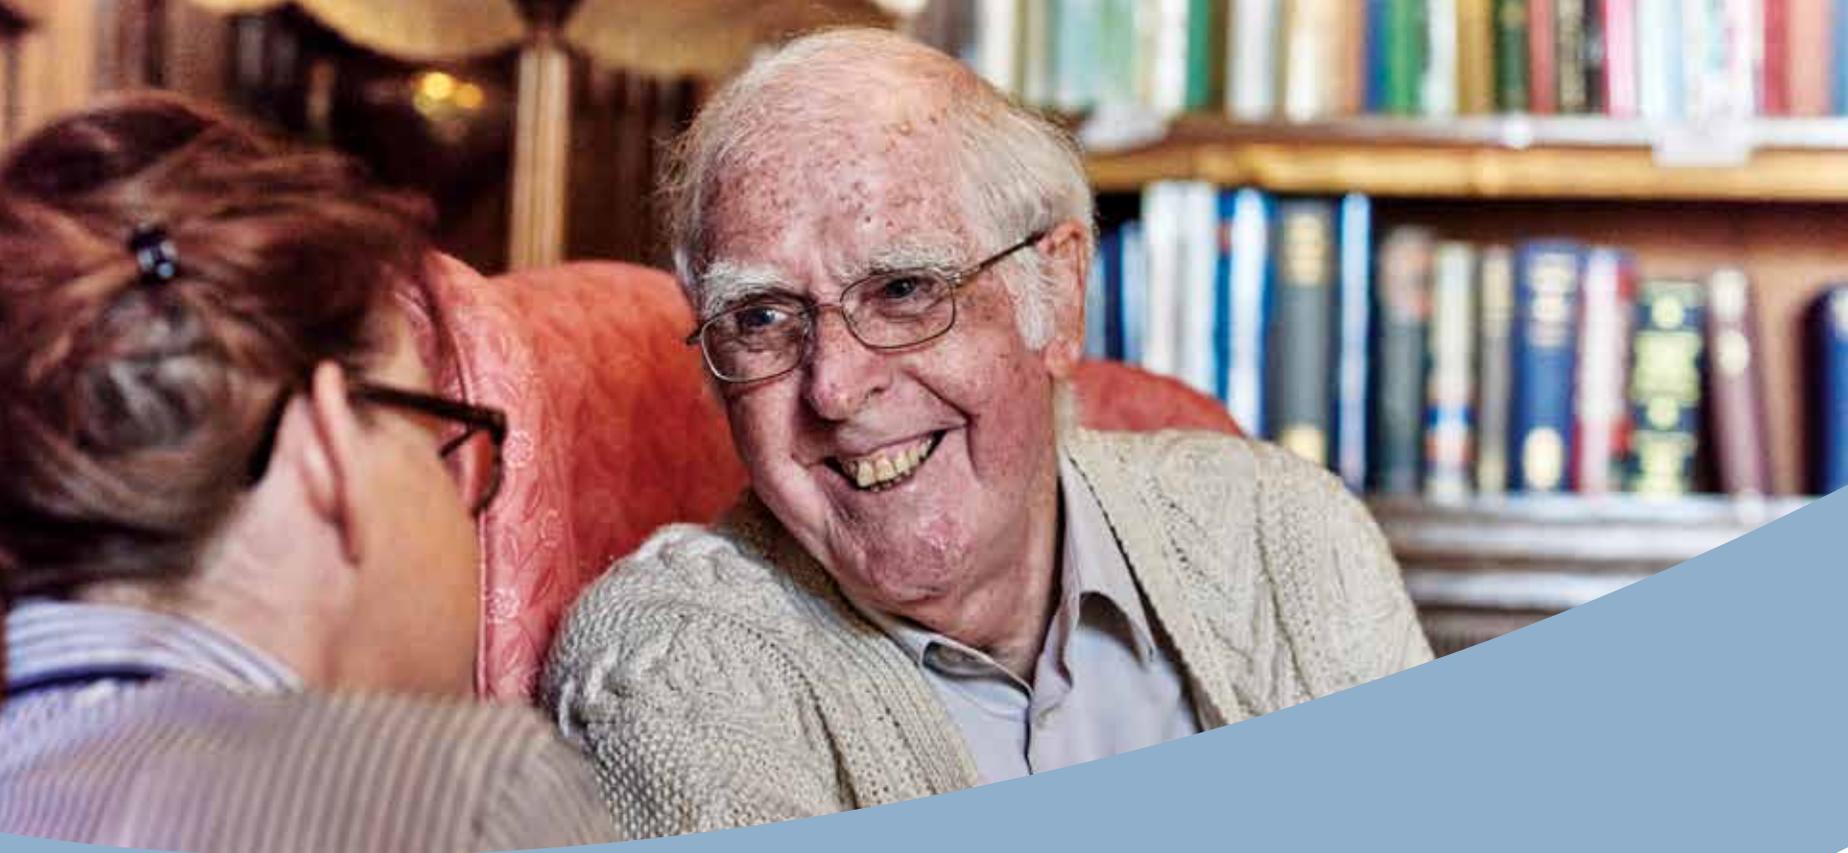

Our charity

Friends of the Elderly has been supporting and caring for older people since 1905. Over a century later Friends of the Elderly still has an important role to play in the individual lives of an ageing population.

The charity is working to ensure that all older people have the opportunity to live fulfilled and respected lives. We do this by providing high quality caring services, giving grants to older people living on a low income and raising awareness of issues such as loneliness.

Our home

The Old Vicarage is a purpose built home providing a range of specialist care services to meet your needs. The home has 40 rooms for residential and nursing care residents and a dedicated wing of 12 rooms for people living with dementia. The range of care services at our home means we can support you through any changes you may need, avoiding the upheaval.

All of our rooms are spacious, light and airy and have en-suite bathrooms. You are welcome to personalise your space and bring along small pieces of furniture and personal mementos to ensure you feel at home.

We have a range of communal areas, including a cosy lounge and a bright and airy dining room. In addition, we have a fully equipped hairdressing salon and

can arrange for local services to come to the home if there are treatments you would enjoy.

Our beautiful grounds have been developed over the years by many of our residents who have a keen interest in gardening. We also have a sheltered courtyard garden which provides a relaxing space to sit and read or talk to your friends and family.

Our approach

At The Old Vicarage, we are dedicated to providing individual care with dignity that meets your needs.

We employ an informal, relaxed approach to ensure that we maintain our home from home feel, but we always deliver our care with absolute professionalism.

All our staff, from housekeeping to care and management teams, are trained to the highest standard. We invest in learning and development opportunities for all of our staff to ensure the care delivered is

second to none. To ensure you receive the best possible care, our Quality Team makes regular visits to the home to make sure we are meeting the Care Quality Commission (CQC) guidelines.

Your views are important to us and we hold regular resident and relative meetings to share information about the home and to hear your feedback. We also conduct an annual survey and publish these results with an action plan on what changes we plan to make.

We will work with you to develop a personalised care plan that reflects what you want and need. We review plans on a regular basis, to ensure that all care needs are met.

We can also support you in arranging for the GP to visit and organising other medical appointments with you or on your behalf.

We have an active social calendar developed by our dedicated activities coordinator. From movie nights to exercise groups, family days in the gardens and, trips out, you are sure to find something that appeals to you.

We also work with local volunteers who are trained in befriending or delivering activities that support you to lead an active and fulfilled life.

If you value your privacy, or wish to spend time with just your friends and family, we have a number of areas around the home that can be used for your visits.

Your family and friends are always welcome to visit. They can drop in at any time, join you for a meal, take part in one of our many activities or just spend time sitting with you in our garden.

Our food

At The Old Vicarage we recognise how important good quality food is for both your health and happiness. We work closely with our suppliers to ensure every meal is tasty and nutritious.

Our staff work hard to ensure that we provide a pleasant dining experience and many of our residents choose to sit together and socialise over lunch and their evening meal. Guests are also welcome to join you for any of your meals.

All meals are freshly prepared by our on site cooks who plan quality, seasonal menus and you can choose from a wide range of nutritious meals.

We take the time to understand what you like so that you continue to make your own decisions about the food you eat.

A range of snacks and fruit are always available in between meal times for you to enjoy.

Our specialist care

Our care and support services include specialist nursing and dementia care, all of which are delivered by highly trained staff with empathy, dignity and respect.

Nursing care

Our professional nursing team provides nursing care for people with more complex healthcare needs. Nursing staff are available 24 hours a day, seven days a week and are trained in understanding the needs of older people. They are supported by highly skilled carers who together ensure that regular monitoring and assessments are undertaken to ensure you receive the very best care and attention.

Whilst your nursing needs may limit your mobility, we continue to support you with suitable activity that is tailored to meet your needs, from reading the daily newspaper through to gentle massage or strengthening exercises – whatever is right for you.

Our team understands fully the process for emergency admissions and can help you

navigate the paperwork needed to ensure a transition from home or hospital to the Old Vicarage.

Dementia care

The Court is our specialist wing for people living with dementia. Whilst the Court has a number of specialist dementia design features, our ethos is always to focus on you and understand what support we can provide to help you live an active and fulfilling life.

We will spend time getting to know you and what's important to you. We will build up your life story through your own recollections and the support of your friends and family which will help us build your personalised care plan.

Our staff are trained in reminiscence to support positive well-being and meaningful activities. The relaxed atmosphere in the Court and the indoor and outdoor spaces are all designed to provide a homely environment that is friendly and safe.

Visit us

We hope you have enjoyed learning more about our home and we would welcome the opportunity to show you around. We understand it can be a difficult decision to move into residential care and our experienced team are more than happy to talk this through with you and answer any questions you may have. You are welcome to join us for lunch and get a feel for the home and chat to other residents about their experiences.
