Friends of the Elderly has been supporting and caring for older people since 1905. Over a century later, we still play an important role in supporting people to live well in later life.

Our Malvern Dementia Day Care service is part of Friends of the Elderly's Malvern care site on Graham Road. At the site we also run three care homes that provide residential, nursing, dementia and respite care.

## Malvern Day Care

Run by the charity Friends of the Elderly, Malvern Day Care is managed by a dedicated and experienced care team who are trained in supporting people living with dementia. We offer a friendly service with a family feel and many members of our team have worked with us for over ten years.

### What can you expect?

Our centre provides a safe and secure environment designed to feel like home. Our facilities include:

- A small cosy lounge with a fire place.
- An interactive kitchen with a range of appliances, just like home.
- A separate dining room area to relax and enjoy a meal in.
- A walled garden area, with lawn and decking that wraps around the building. Furnished with table and chairs for those who enjoy sitting, eating or drinking outside.
- Interactive activities.

### We are open:

**Monday-Friday (9.30am – 3.30pm)** excluding Bank Holidays and you can choose to come along for as many days as you would like. We can also help to arrange transport if it's needed.

You and your family can enjoy complete peace of mind knowing your care is in expert hands.

We encourage all our clients to play an active part in the centre's daily activities, from helping out in the garden to baking treats for everyone to enjoy.

Although our team plan daily activities around your hobbies and interests, how you choose to spend your day is up to you.

### Typical activities include:

- Gardening.
- Quizzes and sing-alongs.
- Arts and crafts.
- Baking.
- Gentle exercise.
- Reminiscence activities.
- Joining in with activities at our care home and occasional trips to our local pub.

We work closely with the local community to ensure you are supported to stay connected to your surroundings and are able to enjoy everyday life.

While you are with us you can enjoy a light breakfast, lunch and afternoon tea – all prepared by our onsite team who ensure a balanced and nutritious diet is maintained.
