

Kidderminster Dementia Day Care

Day care with a family feel

Kidderminster day care is run by a dedicated and experienced care team who are trained in supporting people to live well with dementia. We offer a friendly service with a family feel.

The centre is a safe and secure environment designed to feel like home. Our facilities include:

- An open plan kitchen, dining and lounge area.
- A smaller lounge at the rear for smaller group activities or a quiet chat.
- An interactive kitchen with a range of appliances, just like home.

We are open Monday-Friday (9.30am – 3.30pm) and you can choose to come along for as many days as you would like, from a couple of hours to a full day. We are located close to the town centre, so very easy to access. We can also help to arrange transport if it's needed.

You and your family can enjoy complete peace of mind knowing your care is in expert hands.

What can you expect?

We encourage everyone to play an active part in the centre's daily activities from potting plants to planning outings, or baking treats for everyone to enjoy.

Although our teams plan daily activities around your hobbies and interests, how you choose to spend your day is up to you.

Typical activities include:

- gardening
- quizzes and sing-alongs
- arts and crafts
- Baking
- gentle exercise
- reminiscence activities
- trips into our local community, for example lunch at our local pub and cafes.

We work closely with the local community to ensure you are supported to stay connected to your surroundings and are able to enjoy everyday life.

While you are with us you can enjoy a light breakfast, lunch and afternoon tea.

"We are so well looked after; I couldn't find a better place"
