

Friends of the Elderly Grants for Older People in Financial Need

Covid-19 and Implications for Evidence

The grant's team understand that due to lockdown/quarantine restrictions keyworkers/referral agents may not be able to meet face to face with the person for whom they are applying for a grant.

We are happy to accept photographs of evidence taken on a mobile phone or a tablet, and in exceptional cases, and where the grant recipient and referral agent have a pre-existing relationship, we may be willing to accept a declaration of status from a Referral Agent in lieu of other evidence.

In these situations please contact our team at hello@fote.org.uk for the quickest response. If necessary, you can leave us a message on 0330 332 1110 and a member of the team will call you back within 5 working days.
