

Malvern Dementia Day Care

Day care with a family feel

Malvern Day Care is run by a dedicated and experienced care team who are trained in supporting people to live well with dementia. We offer a friendly service with a family feel.

The centre is a safe and secure environment designed to feel like home. Our facilities include:

- A small cosy lounge with fire place.
- An interactive kitchen with a range of appliances, just like home.
- A dining area that seats a maximum of 12 people – helping to maintain that feeling of being at home.
- A walled garden area, with lawn and decking that wraps around the building. Furnished with table and chairs for those who enjoy sitting, eating or drinking outside.

We are open Monday-Friday (9.30am – 3.30pm) and you can choose to come along for as many days as you would like, from a couple of hours to a full day. We can also help to arrange transport if it's needed.

You and your family can enjoy complete peace of mind knowing your care is in expert hands.

What can you expect?

We encourage everyone to play an active part in the centre's daily activities from helping out in the garden to planning outings, or baking treats for everyone to enjoy.

Although our teams plan daily activities around your hobbies and interests, how you choose to spend your day is up to you.

Typical activities include:

- gardening
- quizzes and sing-alongs
- arts and crafts
- baking
- gentle exercise
- reminiscence activities
- joining in with activities at our care home and trips to our local pub.

We work closely with the local community to ensure you are supported to stay connected to your surroundings and are able to enjoy everyday life.

While you are with us you can enjoy a light breakfast, lunch and afternoon tea – all prepared by our onsite chefs who ensure a balanced and nutritious diet is maintained.

“I wanted to let you know how pleased I am with the care you and your team have shown my father ...I could not ask for better care”
